As a user of the Lower Yakima Valley Fire's ISpyFire account, you are agreeing to the following terms of the program. Members who violate these terms will be held accountable for violating these terms. Please initial each term signify you understand these.

Name: \_\_\_\_\_ ID Number: \_\_\_\_\_

User Email: \_\_\_\_\_ Phone Number: \_\_\_\_\_

Terms include:

- Sharing any information received from this program with users not affiliated with Yakima County Fire District #5 is prohibited. This includes sharing any information you may have received on social media, text messaging, screenshots, installing the program on other devices, or any other data sharing service. \_\_\_\_\_ (Initials)
- Members of Yakima County Fire District #5 are not exempt from distracted driving laws. Users will obey distracted driving laws while operating any motor vehicles. \_\_\_\_\_ (Initials)
- After being alerted to a call, users will use the application to indicate if they are enroute to the incident. This will be monitored by our dispatch, and will allow all responders including the incident commander to know enough resources are responding/available for an incident. \_\_\_\_\_ (Initials)
- ISpyFire, text messaging, or any other means of digital messaging does not serve as Public Safety grade emergency alerting. Members shall utilize radio pagers as their primary method of being alerted to calls, while digital communications provides supplemental information. \_\_\_\_\_ (Initials)
- I understand that at times, calls are not dispatched for a variety of reasons or they may take more time to get details of the incident. I agree to not burden our dispatch if you notice a call is not dispatched or delayed. \_\_\_\_\_ (Initials)

By signing I agree to the above terms and will use this application in a safe manner to improve my situational awareness while responding to emergency incidents.
